Dear Dr Puttanna Chetty,

There is one VERY URGENT little matter which requires your kind & prompt attention, and which for want of the long-promised, but hitherto unreceived orders from Govt is causing much inconvenience & worry to me as head of the Medical Dept, as well as considerable hardship to many of my subordinates. It relates to the question of medical subordinates being summoned to attend upon officials of Govt in the state, and the grant of conveyance allowances to them for so doing & ordinary T.A. under such circumstances. I have written so forcibly and so much on the subject at different times and so has my predecessor, the file of papers regarding which seems to have dribbled on from 1905 to now, that I will spare you any repetition of the details of the correspondence, but simply refer you to my previous letters on the subject Nos G211 of 20-9-06, G515 of 10-12-06, G1078 of 24-6-07, and G211 of 18-9-07, and ask you to kindly give the matter your VERY EARLY attention and issue of definite & early orders on the same..

Yours Sincerely
H. E. Drake Brockman

Dear Sir,

Your D.O letter No 12259 of 25th inst to hand. With reference to my DO No 95 of 15th May ,I would beg to point out that what I would like the early orders of Govt upon is not actually the conditions under which conveyance allowance willbe granted in future as I know that takestime to settle,but in the meantime some definite instructions in the matter to avoid the many references which at present come up regarding this matter; some ruling is absloutely necessary in the interests of all concerned,and I shall feel much obliged if Govt will issue such tome at an early date pending the issue of the permanent regulations which at presentI understand are under their con-
